Sabbath School Lesson No. 11
For December 12, 1970
Subject: Health and Family Life
Key Text Scripture – "Except the Lord build the house, they labor in vein that build it. Except the Lord keep the city, the watchman waketh but in vain." Ps. 127:1.

"The total health of the family should be the concern of both parents. The family's diet, the location of the property and the home, the worship habits, and the recreational involvements of all concerned, the relationship of husband and wife, parents and children – all of these and much more make up a home. The presence of Jesus Christ in the family life provides the center around which activities may rightly orbit."

The example of the parents in living and thinking and reacting healthfully to life's challenge will do more than anything else to influence the children to choose to be Christians. Their examples will speak volumes. One "Christian writer" has said "The restoration and uplifting of humanity begins in the home. The work of parents underlines every other. Society is composed of families, and is what the heads of families made it. Out of the heart is the issues of life. . . The well being of society –the success of the church, the prosperity of the nation, depend upon home influences." – The Ministry of Healing, page 349.

Lesson Outline – 1. Marriage and the Eden Home . Gen. 2:15. 2. The Benediction at Cana. John 2:1,2. 3. Homes in the city or country? 4. Lots Big Mistake. Gen. 13:12. 5. Husband and wife relationships. Heb. 13:4. Gen. 2: 24 6. Successful Fathers and mothers. Col. 3:18, 19. Read Eph. 5:23-29.

The husband and father occupies a unique position as head of the home, but "it is no evidence of manliness in the husband for him to dwell constantly upon his position as head of the family . . . Let every husband who claims to love God carefully study the requirements of God in his position. Christ's authority is exercised in wisdom, in all kindness and gentleness; so let the husband exercise his power and imitate the great Head of the Church," –The Adventist Home, pg. 215.

"If a home is truly Christian, it will be a center of health and happiness – a glad and glorious place where angels will dwell and from which will radiate light to break the spell of darkness in the world." Note the value the man places upon an able wife: A rare find is an able wife –she is worth far more than rubies! Her husband may depend on her, and never lose by that, she brings him profit and no loss, from first to last. Carefully read all of the following verses. Prov. 31:10-12, 28-30.

## 13th Sabbath Offering

The Inter-American Division, with its 255,385 S.D.A members believes in Christian education. Because the church membership has increased by more than 100,000 in the last decade there are now about 35,000 students enrolled in our schools throughout the division. Thousands more are "outside" waiting to get in. For each child or youth in our schools there are three others who need to be preparing their lives for the service of the Lord.

The Inter-American Division has plans for these "outsiders" These plans will make room for many of these students to be in our own schools. The Thirteenth Sabbath overlow is destined to help three training centers:

1. The men's dormitory at Antillian College will be enlarged.
2. A library will be built at Dominican Academy.
3. A brand-new boarding academy will be constructed on the island of Martinique.

Besides this, an evangelistic center is badly needed in Pointe-a-Pitre, Guadeloupe.

These four projects will benefit by the generous offerings of this Christmas season given by our church members throughout the whole world.

## Mrs. Beamon's 4-H

President Danny Hix called the meeting to order. David Ratliff led us in the pledge to the American Flag and William Hamlett led us in the 4-H Pledge.
